Homebuilders.com

Meet the Costa team. Costa Homebuilders prides itself on 4 generations of quality home building. Our experienced team will deliver you the best possible building experience from start to finish.

4 generations of quality home building

Jeff Costa, Operating Manager

Jeff has served as Costa's Operating Manager for over 15 years, and has spent a total of 30 years with his family's company. As a fourth generation builder, he is an invaluable resource when it comes to navigating and managing the home building process. Jeff makes it his personal goal to provide the perfect home for every client, ensuring it fits their needs and lifestyles. He enjoys walking customers through the home building journey, designing custom floor plans, and making his clients' homes feel like a peaceful retreat. Jeff holds a Bachelor's of Science degree in technology education, and enjoys educating his customers to make building a custom home easy and worry-free.

Anthony Ferrare, Build On Your Lot Specialist

Anthony has been with Costa for over 6 years. As an expert in the home building process, he is the perfect person to meet with new customers and answer any and all questions. With an extensive background in excavation, he knows how to take a raw piece of land and turn it into a client's ideal home. He works diligently with customers to find their perfect lot, determine the home's placement on that lot, and make the most of the space so 100% of the home is livable. Anthony knows the importance of listening to customers, and providing them with options and endless inspiration.

Julie King, Marketing Director

As Marketing Director, Julie draws upon her 15 years of marketing and advertising experience to implement marketing initiatives for Costa, and to share the unique story and philosophy behind their award-winning homes. Julie graduated from California University of Pennsylvania with a Bachelor's degree in marketing. She's passionate about building a relationship with clients in the showroom to lend her professional guidance regarding exterior and interior selections, paint and color theory.

Chris Zacur, Construction Manager

At Costa for over 15 years, Chris is the team's Construction Manager, overseeing all aspects of the construction process. He manages requests and requirements from customers, contractors and vendors to keep on-site activity moving at an efficient pace, so customers see weekly progress. Chris holds a Bachelor of Science degree in general education from California University of Pennsylvania. He takes great pride in seeing a pile of dirt on an empty lot turn into a fully realized, beautiful custom home that his clients can live out their dreams in.

**Adam Gazda, Project Manager**

As Project Manager, Adam is the customer's go-to person to get an update on their home building project. From overseeing progress in the field and coordinating contractors, to scheduling inspections, Adam makes sure that progress stays on pace. Adam meets with clients and stays in communication with them frequently, to make sure the customer always knows what is happening with their home. He holds a Bachelor of Arts degree in psychology from Lehigh University and a Master of Science degree in adapted physical activity from Slippery Rock University.

**Matt Bartosch, Accounting Assistant**

Matt has been a part of Costa Homebuilders for over 7 years, starting as a laborer in the field before entering the office as part of the accounting team. He holds a Bachelor of Science degree in business administration, concentrating in accounting, and a Master of Science in taxation from Robert Morris University. Matt enjoys using his experience to help client homes come together as the different stages of planning are completed.

**Jennifer Costa, Accounting Manager**

Jennifer has led the accounts payable/receivable department at Costa for over 17 years, overseeing invoices and monetary transactions for the company. Jennifer interacts with clients, subcontractors and employees at all times to ensure accurate and professional account procedures. She received her Bachelor of Science degree from Waynesburg College and worked in the field for 8 years before joining Costa. She loves providing customers with frequent communication and information, to keep them excited about their new home.

**Carrie Eckenrod,
Permits & Utilities Coordinator**

Carrie prepares the necessary documentation for permits and utilities affairs. She is responsible for the organization and submission of these documents, to ensure that client homes are kept on schedule. Carrie's number one goal is to make sure that clients' homes are completed with all the necessary documentation in place. Carrie received her Bachelor of Science in secondary education from the University of Pittsburgh.

**Holly Galioto, Accounting Coordinator**

Holly has been with Costa for over 12 years helping to facilitate correspondence between customer and staff. She makes sure that all administrative standards are met, and that customers are completely satisfied. She also coordinates between team members and staff to ensure accounting standards are met. Holly loves hearing customers' excitement as they enjoy a smooth, organized homebuilding experience.

**Dennis Barnes, Service Coordinator**

Dennis, a veteran of the home building industry for more than 15 years, serves as Costa's Service Coordinator. His hands on experience, along with his education in business management at West Virginia University, provide him with the background to better serve the buyers of Costa homes. He is responsible for assuring Costa's high standards are met during the service of home ownership. Dennis is truly a people person, who thoroughly enjoys satisfying the needs of customers. His credo is not to be satisfied until the customer is satisfied.
